

CARTES DE PÂQUES

Matériel :

- Modèles à imprimer
- papier cartonné
- Ciseaux
- Colle
- Matériel de coloriage
- Crayon ou stylo

Instructions :

1. Imprimer les modèles

- Imprimez les modèles de cartes et de supports.
- Pour chaque paire de cartes, imprimez une paire de supports.

2. Colorier & décorer

- Avant de découper, coloriez et décorez la carte et le support.
- Mélangez différents modèles en choisissant un devant et un derrière.
- Conseil : si vous utilisez un modèle vierge, laissez libre cours à votre créativité !
Décorez-le avec votre propre design et style.

3. Couper & assembler la carte

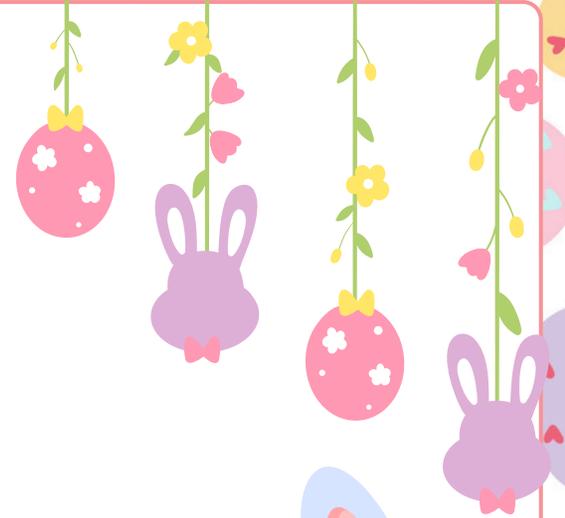

- Découpez soigneusement le long des lignes continues.
- Collez le recto et le verso de la carte ensemble.
- Collez l'avant et l'arrière du support ensemble pour le rendre plus solide.

4. Personnaliser

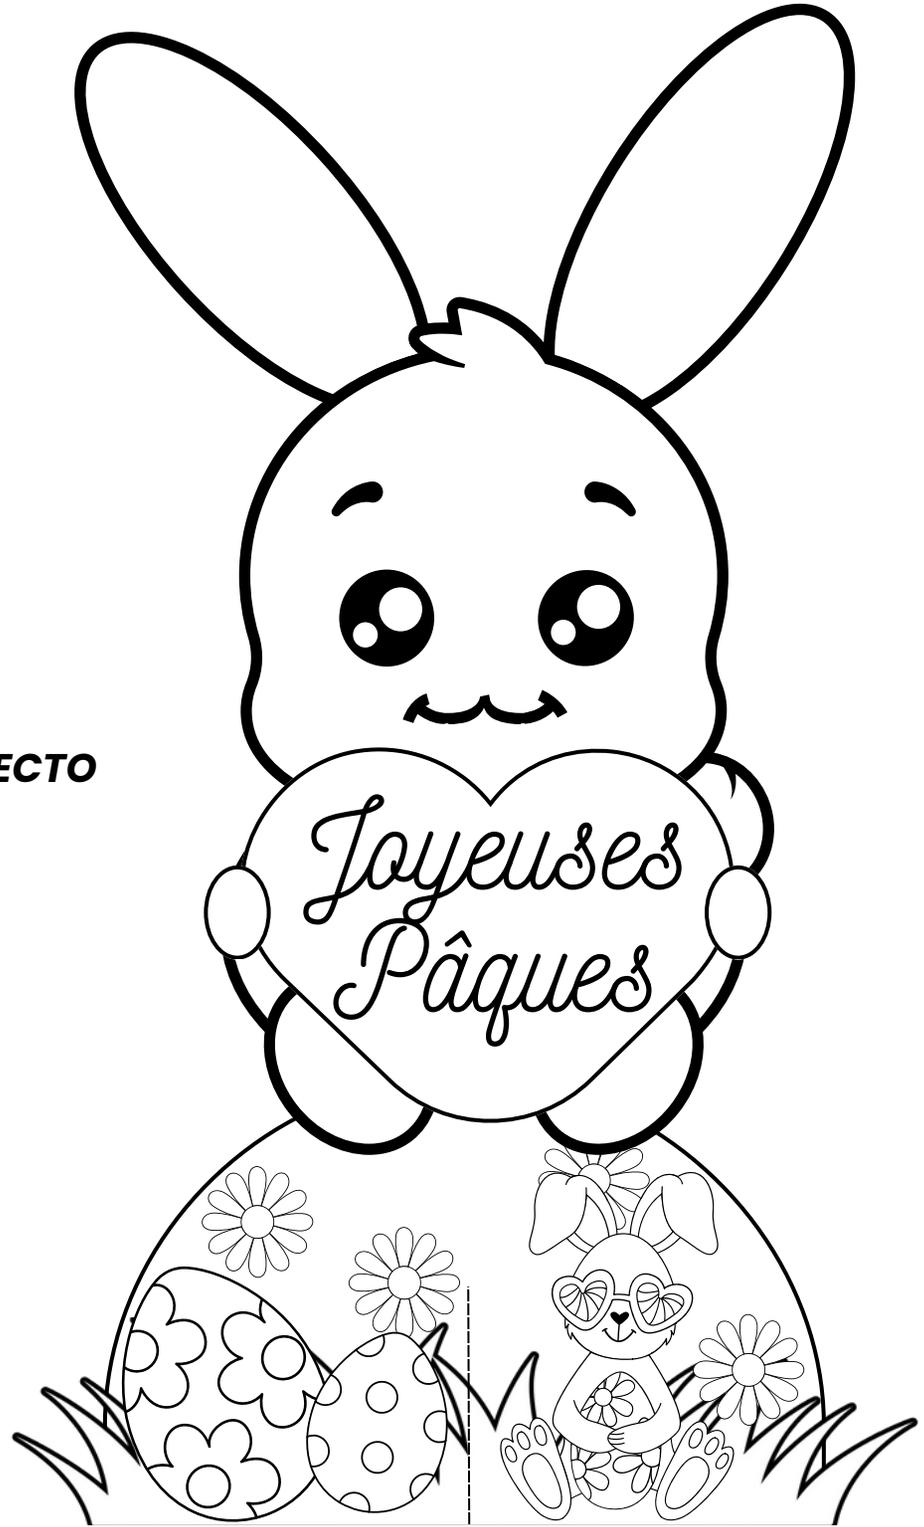

- Remplissez les sections « Pour » et « De » sur la carte.

5. Assembler les pièces

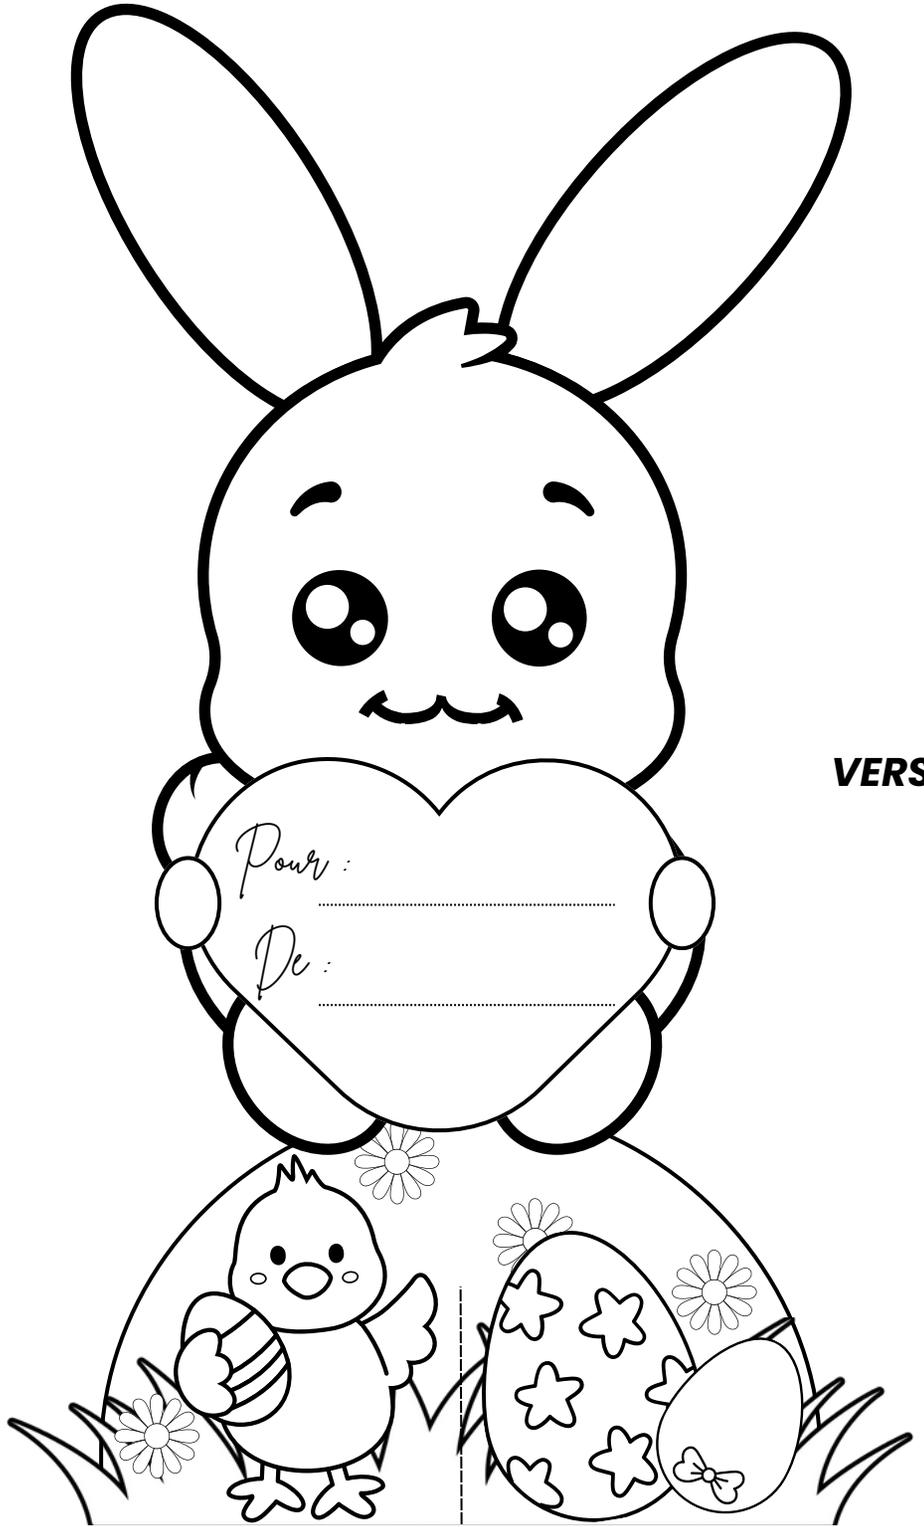

- Découpez le long des lignes pointillées sur la carte et sur le support.
- Insérez la carte dans le support pour créer un effet 3D.
