
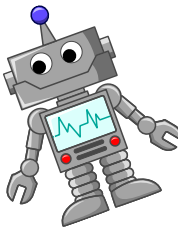
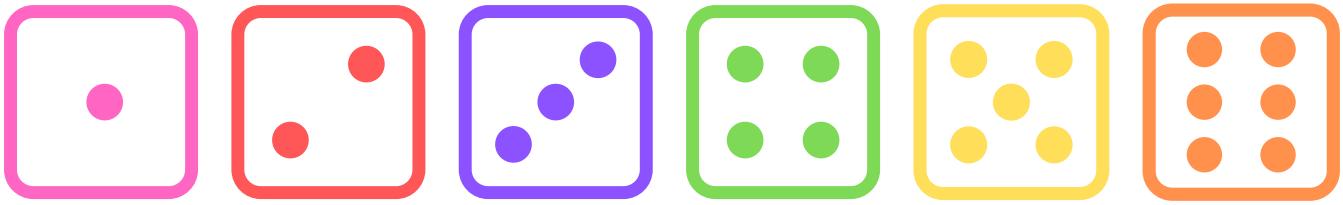
Joue et dessine un robot





Lancer 1 tête						
Lancer 2 visage						
Lancer 3 corps						Lancer 4 bras						Lancer 5 jambes						Lancer 6 extras						
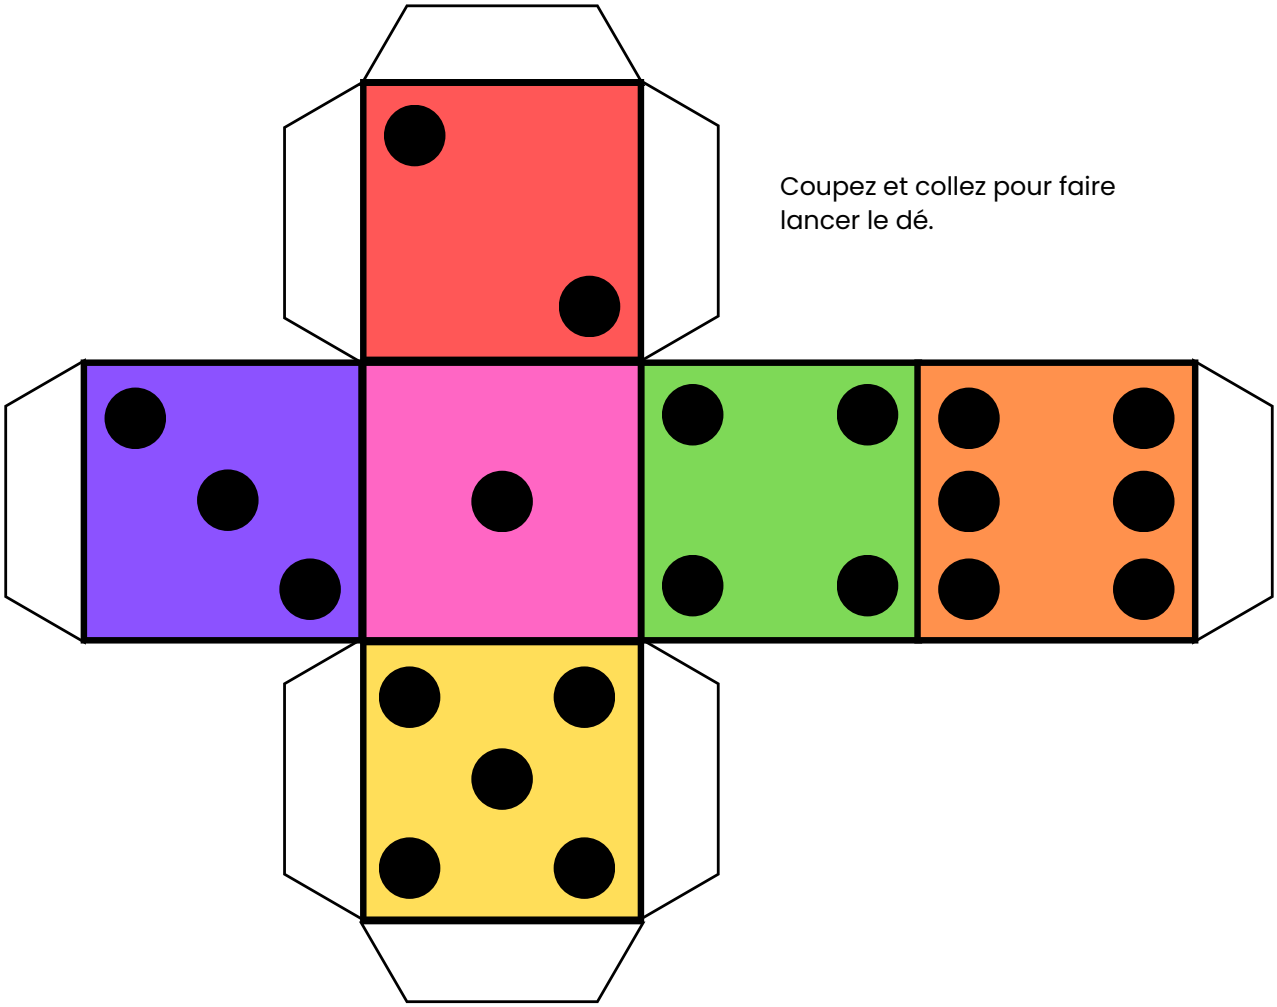
Instructions

Materiel :

- Toutes les pages imprimables pour dessiner un robot
- Ciseaux
- Colle ou ruban adhésif
- Crayons de couleur ou crayons feutre

Comment jouer :

1. *Préparez le dé :*
   - Imprimez, découpez, pliez et collez le modèle de dé ci-dessous.
2. *Lancez le dé :*
   - Lancez le dé pour déterminer les caractéristiques.
3. *Dessinez le robot :*
   - Dessinez chaque caractéristique en fonction de vos lancers jusqu'à ce que le robot soit entièrement terminé.
4. *Coloriez et décorez :*
   - Coloriez et ajoutez des détails à votre robot.
5. *Recommencez :*
   - Vous pouvez jouer encore et encore à dessiner un robot.



Coupez et collez pour faire lancer le dé.
